- These forays are run by and for the members of the Herefordshire Fungus Survey Group (HFSG). The group is self-financing; a membership fee is levied to cover our postage costs and stationery involved in running the group together with the costs of printing and publishing the newsletters.
- If you are not an HFSG member and would like to come on a foray with us, please contact the Secretary, Sharon Hart, at least 3 days in advance - contact details on the front page of this programme.
- Our Public Liability Insurance is covered through the British Mycological Society.
- Access to private sites is limited to the Group only and other sites can be too small to take large numbers and their cars.
- Dog Owners: Please note that:
 - I. the HFSG Public Liability Insurance does NOT cover any damage or actions caused by pets: it is the sole responsibility of the owner to have appropriate insurance for this type of situation;
 - II. In this Foray programme there are instructions for each site. Where stock is present, please always keep dogs on a lead. Also, please clear up any mess on paths & tracks.
- Some site owners (eg Forestry Commission) specifically prohibit smoking and fires, but it is good practice to apply this to all – especially in woods.
- Please wear suitable footwear to all sites and be prepared for all weathers. Some sites are quite steep, and slippery in bad weather, so please take care at all times.
- Unless otherwise stated, forays are normally from 10.30am – 12.03 pm. Details of these are published nearer the foray dates.
- The Secretary's mobile no. is 07900 656469. Please bear in mind that foray locations often have poor reception.
