

All fungus and lichen records should be sent to the Group Recorder:

- These forays are run by and for the members of the Herefordshire Fungus Survey Group (HFSG). The group is self financing; a membership fee is levied to cover our postage costs and stationary involved in running the group together with the costs of printing and publishing the newsletters.
- If you are not an HFSG member and would like to come on a foray with us, please contact the Secretary, Mike Stroud, at least 3 days in advance - contact details on the front page of this Programme.
- Our Public Liability Insurance is covered through the British Mycological Society.
- Access to private sites is limited to the Group only and other sites can be too small to take large numbers and their cars.
- **Dog Owners:** Please note that:
 - i. the HFSG Public Liability Insurance does NOT cover any damage or actions caused by pets: it is the sole responsibility of the owner to have appropriate insurance for this type of situation;
 - ii. on this Foray Programme there are instructions for each site. Where stock is present, please **always** keep dogs on a lead. Also, please clear up any mess on paths & tracks, as many of the sites are open to the public.
- Some site owners (eg Forestry Commission) specifically prohibit smoking and fires, but it is good practice to apply this to all – especially in woods.
- Please wear suitable footwear to all sites and be prepared for all weathers. Some sites are quite steep, and slippery in bad weather, so please take care at all times.
- Unless otherwise stated, forays are normally from 10.30 am – 12.30 pm (approx.): many of us then go to a nearby pub for lunch afterwards. Details of these are published nearer the foray dates.
- The Secretary's mobile no. is 07507 266711 and is usually on (when he remembers!) at the start of a foray.

Please note:

- i. this Foray Programme is aspirational and each foray will obviously be dependent on the Covid restrictions at the time.
- ii. Again, depending on the state of the Covid regulations, we may be required to limit the number of participants at some (or all) of the forays - which will then necessitate pre-booking.
